

Want to Make a Will?

Inclusion Ireland is working with solicitors to give people with intellectual disabilities the chance to make a will.

A will is a document that lists all the things you own and who will get them when you die.

If you have not written a will so far, we can help you. We can support you to meet a solicitor. Inclusion Ireland will arrange a meeting with a solicitor for you.

In the meeting you will talk to the solicitor about the things you own and they will note everything down. You might have more than one meeting with the solicitor before the will is finished.

If you are happy with your will, the solicitor will make it a legal document.

If you are interested in making a will contact Yvonne on 01-8559891 or email yvonne@inclusionireland.ie
