

Why staff wear special equipment?

	<p>If I get sick or have a cough I might have to stay in my room</p> <p>This is so other people don't get sick</p>
	<p>The staff will have to wear special clothes</p>
	<p>The clothes will look strange.</p> <p>And it might be hard to see their faces.</p>
	<p>The staff will still talk to me and help me.</p>
